INCLUDED IN TEAM FEES: Speed and agility, plyometrics training, and strength and conditioning is INCLUDED in our fees for all 14 level teams. This is NOT an additional cost. Teams will train prior to practice once a week for 6 months. All training will be supervised.

Team Fees Also Include: USA Volleyball Registration for players, teams, and coaches, coach salaries, background checks, and education and training fees, administration and equipment fees, Arizona Region dues and tournament entry fees, mandatory ref/scorekeeping clinic for all teams, and uniforms (2 uniform tops, spandex, sweats, backpack).

Post Season Play: Fees for travel teams includes practices through the month of June but not the end-of-season tournament expense. These teams are expected to compete in either the Volleyball Festival or the USA Junior Olympics (upon qualification). Both of these tournaments conclude the first week of July. Non-travel teams are encouraged to compete in the Volleyball Festival. If teams choose to attend this tournament, additional fees will be charged to cover June practices and tournament expenses.
